### **Knowledge Translation Professional Certificate (KTPC)**

KTPC is a virtual seven-day professional development initiative which builds individual and organizational KT capacity. The curriculum, presented as a composite of didactic and interactive teaching, focuses on the core competencies of Knowledge Translation (KT) work in Canada, as identified by a survey of KT practitioners.

Developed by The Hospital for Sick Children (SickKids) Learning Institute, KTPC is hosted three times a year. Each session is open to a limited number of participants. KTPC is fully accredited by the Continuing Professional Development Office at the University of Toronto's Faculty of Medicine and has been recognized as a Leading Practice by Accreditation Canada.

#### Who should take KTPC?

This course aims to develop the competencies of individuals working as KT practitioners (i.e., knowledge brokers, KT specialists, KT managers, and the like) working across all disciplines (e.g., health, health promotion, education, agriculture, etc.).

### **Time Commitment**

Please note that the course is held **online** on seven consecutive business days (Week 1: Monday–Friday; Week 2: Monday–Tuesday) from 10 a.m. to 5 p.m. ET. Full attendance is required to meet accreditation requirements.

#### **Supervisor Involvement**

Supervisor involvement in four of the course sessions is strongly encouraged as a way to build organizational capacity for KT. Supervisors are invited to attend: 1) a session on *Organizational Impact*, 2) a session on *Navigating KT at Your Organization*; 3) panel discussion: *Building a KT Friendly Organization* (Monday of Week 2, 10 a.m.–12 p.m.); and 4) your KT plan presentation (Tuesday of Week 2; 30 minutes; to be scheduled during the week of the course).

#### Course Registration

All applicants will be notified about the status of their application by **Friday**, **February 10**, **2023**. Successful applicants will be required to submit payment in full within **one week** of notification of acceptance to secure their space in the course.
